

# SHS Lampu Sehen Integrated

Kit Lampu Tenaga Surya

ISO 9001, ISO 14001, TUV

**Product Model : BCT-DTL50W**

<b>Solar panel</b>	Peak Power	17V/50W solar panel
	Seal	Encapsulated with tempered glass
	Service life	25 years
	Cables on back	5 meters
<b>Battery</b>	Type	LiFePO4 lithium-ion batteries
	Voltage/Capacity	12V / 35 AH
	Service life	5-8 years, 2 years warranty
<b>Light Source</b>	Type	LED - NICHIA SMD
	Power	5W/PC
	Quantity	3 PCS
	Service life	50,000 hrs
<b>Power Box</b>	Aluminum magnesium alloy aluminum, suggest install height : 1.3-1.5 M	
<b>Options</b>	A : Two head DC cable 3M B : DC TV : 14"/17"/21" C : DC Fan : 12"	
	Battery full charged A : 1 pc lamp : > 120 hrs B : 3 pcs lamps > 40 hrs This system especially use for severe weather, typhoon and power outage conditions	
<b>Performance</b>
